As has been done in the past, Winston-Salem will assist in contract maintenance of Retail Accrual contracts for 1997. During the weekend of December 7, 1996, certain contracts will be automatically renewed for 1997. Review the following information carefully. Proper procedures for your 1997 Retail Accrual contracts should be entered prior to the close of business on December 6, 1996 to ensure a smooth transition of the program into 1997.

Contracts will not be renewed for 1997 for the following conditions:

1997 Retail Accrual Contract Renewal Checklist: *Amy can you handle this ???*

- Insure account is retail type only.
- Convert old Co-marketing contracts to new Retail Accrual contracts types.
- Insure that retail account has a merchandising contract effective in 1997. *→ Who knows ?? at this time*
- Clean-up accounts that have more than one Retail Accrual contract active at same time. *- Amy*
- If contract is to be renewed, insure that contract end date is no earlier than 12/96. *- what does Renewed mean ??*
- Retail Accrual contracts in Carton Outlet accounts will need to be added back in those accounts where a long-term agreement is in place. All other Carton Outlet contracts will be resigned and added in 1997 with the Retail Accrual Plan at that time. *→ Amy Grandfathered*
- ★ **REMINER: DO NOT delete 1996 contracts from the Chain HQ screen or historical information will be deleted as well.**

Determining Retail Accrual Contracts that will not be renewed automatically:

A report will be available that will list all accounts that have a Retail Accrual contract in 1996 that will not be renewed for 1997. To submit this report, follow these steps: *- Amy Request Report*

1. Select 'PRINT REPORT' off the SIS Main Menu.
2. Select 'RETAIL ACCRUAL MAIN MENU'.
3. Select '1997 RAC RENEWAL EXCEPTIONS'.
4. This report can be requested by:
 - Sales Level (Territory/Division/Region)
 - Independent Accounts within requested Sales Level
 - Chain Accounts within requested Sales Level
 - Specific Chain-Id.

For each retail account that meets the renewal criteria, a new contract entry will be added to that account with effective dates of 1/97 through 12/97 on the weekend of December 7, 1996. On Monday, December 9, 1996, the 1997 Retail Accrual Contract renewals will be available for Field Sales viewing in Function M35. After viewing the renewed contracts, any adjustments, changes or additions to these contracts must be entered into the SIS Master List by the close of business on December 27, 1996. At that time your Retail Accrual contracts will be ready for 1997. *Amy do you need to renew ??*
